SUBJECT: SDI Policy Clearance Process Under NSDD 172 (C)

As you know, agencies with responsibilities bearing on the President's Strategic Defense Initiative need prior clearance from the National Security Advisor for public remarks or diplomatic initiatives dealing with SDI. On occasion, we have not received remarks for clearance in a timely fashion. Please submit such papers for clearance as early as possible via a memorandum in the Executive Secretary channel. In addition, it is important that prior clearances be obtained from OSD/ISP and, particularly in cases dealing with foreign policy issues or foreign audiences, with State/PM as well before submission to the NSC.
